

# Scaling up the early childhood workforce to support children birth to age 3: Lessons from Peru and Mozambique

---

Early Childhood Workforce Initiative – Webinars – 14 June, 2017

## **Margaret Kernan,**

Team Leader Early Years of  
International Child Development  
Initiatives (ICDI)

Margaret has spent the last 30 years working internationally in the fields of education and development. She is currently Team Leader, Early Years at International Child Development Initiatives ([www.icdi.nl](http://www.icdi.nl)), Leiden, The Netherlands. This involves managing research and development projects and providing training in ECEC in countries such as Bangladesh, Ethiopia, Hungary, Nepal, Palestine, Pakistan and South Africa. Margaret is also overall coordinator of the European Commission supported programme *Together Old and Young* ([www.toyproject.net](http://www.toyproject.net)), which promotes intergenerational learning between young children and older adults.
